Escape the calls of everyday life, enjoy the wildlife and natural beauty, and immerse yourself in golf - the way it's meant to be played.

True North Golf Club is a private destination golf club with a top-rated championship golf course, on-site lodging, trout fishing, and dining facilities for our members and their guests. We created True North for golfers who appreciate championship-level golf in a low-volume, secluded, and pure environment.

Designed by award-winning architect Jim Engh, this stunning course flows through the corridors of Northern Michigan's native forest and wildlife. True North's exhilarating elevations, bent-grass fairways, and pure rolling greens provide a solitude of play, and a "true" golf experience rarely found.

St. Michael Academy provides a classical Catholic education that transforms students into great thinkers, prepares them for a life of servant leadership, and inspires them in their faith.

Established in 2013, St. Michael Academy is the first Catholic high school in the region since 1972, and the only Classical high school in Northern Michigan.

SMA strives to develop the next generation of American leaders by promoting a culture of excellence and instilling in students the classical virtues of wisdom, temperance, courage, and justice, and Christian virtues of faith, hope, and love.

We are grateful for your support and generosity towards this essential mission!
